

Mohd Hayaat Ali

SENIOR PRODUCT DESIGNER — LOGISTICS, SUPPLY CHAIN & OPERATIONS

Email: mohdhayaat1@outlook.com | Phone: +91-7905194153 | Location: Delhi NCR, India

Portfolio: workofhayaat.framer.website | Live Product: fuelbuddy.ae

PROFESSIONAL SUMMARY

Product Designer with **6+ years of experience** building operational dashboards, live tracking systems, driver field apps, and warehouse management tools (WMS). Designed FuelBuddy's UAE B2B fleet web app and franchise operations software—replacing manual spreadsheet ops with real-time route tracking, bowser dispatch, shift scheduling, and remote tank control.

CORE CAPABILITIES

- **Operations & Logistics UX:** Real-time map tracking, route planning, driver dispatch, bowser/tanker management, shift scheduling, Gantt planning.
- **Internal Tools & WMS:** Inventory tracking, pharmaceutical warehouse distribution, asset management, automated error handling.
- **Field & Mobile Verification:** Driver identity QR scanning, license/Emirates ID compliance logging.

PROFESSIONAL EXPERIENCE

Product Designer | FuelBuddy (India & Dubai)

Gurgaon, India | July 2023 – June 2024

- Designed FuelBuddy UAE B2B customer web app (fuelbuddy.ae) surfacing live map tracking, order status, and fuel quantity charts.
- Built franchise operations platform replacing Excel ops for truck fleets, drivers, bowser tanks, route optimization, and emergency remote lock controls.
- Designed Wheels Driver App for Dubai fleet drivers—enabling QR shift logging and compliance document verification.

Product Designer | TS Logix Peru (Consulting)

Remote | 2024

- Designed public web presence and internal Warehouse Management System (WMS) for pharmaceutical inventory distribution (tslogixperu.com).

SELECTED LIVE WORK

- **FuelBuddy UAE Platform:** fuelbuddy.ae — B2B fleet logistics portal.
- **TS Logix Peru WMS:** tslogixperu.com — Warehouse management tool.

EDUCATION

BBA (Bachelor of Business Administration)

Sam Higginbottom University of Agriculture, Technology and Sciences (SHUATS) | 2017 – 2020
