Product & UX: UX research, user-centered design, information architecture, user flows, wireframes, interaction design, prototypes, usability testing, stakeholder feedback

UI & Systems: High-fidelity UI, responsive web and mobile design, accessibility awareness, typography, color, spacing, layout, design systems, reusable components, Auto Layout

Delivery & Tools: Figma, FigJam, Framer, developer handoff, design QA, task prioritization, deadline management, Photoshop, Illustrator, After Effects, Rive, Miro

Professional Experience

Creative Designer | Crevia

Delhi NCR | Jun 2026 - Present

- Deliver responsive website assets, product imagery, campaign material, graphics, and video across multiple client brands and concurrent deadlines.
- Design and build the Mymy perfume website in Wix, covering page structure, product presentation, and launch-ready assets.

Product Designer | I-DOD

New Delhi | Jul 2025 - Mar 2026

- Translated founder and stakeholder requirements into user flows, wireframes, prototypes, high-fidelity interfaces, and release decisions.
- Built a reusable Figma design system from scratch with components, states, patterns, and implementation-ready documentation.

Product Designer | FuelBuddy

Gurgaon | Jul 2023 - Jun 2024

- Designed responsive customer, FMS, pilot, driver, and franchise products across India and UAE spanning web, mobile, dashboards, maps, and tracking.
- Redesigned diesel ordering from 20-22 steps, improving completion from 62% to 78%.
- Reduced payment errors by 38% through wallet improvements, delegated access, and configurable spend limits.
- Built the FuelBuddy design system and partnered with product and engineering through handoff and design QA.

Product Designer | Uncover by Meddo

Gurgaon | Mar 2022 - May 2023

- Improved appointment completion from 71% to 83% using analytics and user feedback.
- Conducted usability testing with 12 patients and 8 doctors and translated research into product and engineering priorities.
- Created Uncover's brand foundation and carried it into responsive web, mobile, and reusable UI patterns.

UI Designer | AcadPlaza

Remote | Jun 2020 - Mar 2022

- Redesigned course catalog and search, increasing enrollments by 18% quarter over quarter.
- Created responsive interfaces, wireframes, and components with an eight-person cross-functional team.
