PROFESSIONAL SUMMARY

Cinematographer, photographer, and visual storyteller with 5+ years of commercial camera and post-production experience, currently based in Mumbai and actively covering Mumbai / Delhi NCR. Track record capturing high-energy live events, star nights across premier institutions (IITs, IIMs, NITs, DU), and commercial branded content for brands like Red Bull, Monster Energy, Hero, and Suzuki. Owns professional camera equipment and a dedicated high-performance editing workstation. Directs, shoots, color-grades, and edits narrative-driven content from concept to final master.

CORE EXPERTISE

- **Cinematography & Camera Operation:** On-location camera operation, multi-cam live event coverage, lighting design, shot planning, and cinematic framing for high-energy environments.
- **Still Photography & Retouching:** Live concert, festival, commercial product, and editorial photography; high-end skin and color retouching in Lightroom, Photoshop, and Capture One.
- **Post-Production & Grading:** Video editing, narrative pacing, sound design, and color grading in Premiere Pro, DaVinci Resolve, and After Effects for 16:9 and social-first 9:16 cuts.
- **Directing & Branded Content:** Concepting, storyboarding, art direction, and Junior DOP execution across commercial campaigns, music videos, and independent short films.

PROFESSIONAL EXPERIENCE

Creative Designer & Video Editor | Crevia

Jun 2026 – Present

- Shot, edited, and graded video assets, podcast cuts, and high-impact social reels across lifestyle, consumer, and D2C brands.
- Produced video and social content for ATK Designs and Klay Consultants generating 30,000+ views with rapid same-week turnaround.
- Developed campaign ad creatives for La Well and Herbal Hand Jatibooti driving 10,00,000+ ad views.
- Created 200+ visual product assets across catalog lines, optimizing lighting and framing for digital storefronts.

Cinematographer, Photographer & Visual Storyteller | Freelance & Redhat Productions

India | 2018 – Present

- Captured high-energy live concerts and cultural festivals across premier national institutions including IITs, IIMs (IIM Jammu), NITs, and Delhi University colleges.
- Photographed 100+ artists including Travis Scott and Akon (as part of official photography team), CarryMinati, Gajendra Verma (with Accomplice team), Zakir Khan, Tanmay Bhatt, Vishal-Shekhar, The Local Train, and Lucky Ali.
- Shot and produced commercial video ad assets for brands including Red Bull, Monster Energy, Hero, Suzuki, and Trojan under tight event and campaign schedules.
- Served as Junior DOP on music video productions for Crevixa, managing camera rigging, lighting setups, and visual consistency.
- Lead photographer with Redhat Productions across commercial, corporate, fashion, and large-scale event shoots.

Art Director & Filmmaker | Beaux Arts

Allahabad, India | 2019 – Present

- Directed 2 independent short/art films, leading script visual breakdown, location scouting, cinematography, and post-production color grading.
- Led visual conceiving and on-set lighting design for commercial brand ads, ensuring distinct narrative mood and brand identity.

WHAT I'D BRING TO BLING PING

- **Local Mumbai Presence & Own Gear:** Currently in Mumbai, fully equipped with professional camera kit, lenses, and editing workstation for immediate on-location shoot deployment.
- **High-Energy Event Mastery:** Proven instincts for navigating fast-moving stages, concerts, and crowded live environments without missing critical moments.
- **Full-Pipeline Execution:** Ability to shoot on-site during the day and deliver graded, sound-designed reels and photos with rapid turnaround time.
