Professional Summary

Videographer, photographer, and content producer with 5-7+ years across shooting, directing, and editing. I have art-directed at Beaux Arts (Allahabad), directed ads and two short/art films, worked as a junior DOP, and produced freelance ad creative for brands including Hero, Suzuki, Red Bull, Monster, and Trojan. I shoot and direct, then edit and finish - so I can own content end to end. I also carry UAE-market experience through FuelBuddy's regional work.

Core Skills

Videography & Direction: Shooting, directing ads and short/art films, junior DOP, shot planning, on-set coordination, lighting and framing, visual storytelling

Photography: Product, events, college festivals, weddings, and corporate photography (freelance and with Redhat Productions)

Editing & Post: Video editing, motion graphics, colour and finish, pacing, podcast editing, social and brand content

Production: End-to-end content ownership, multi-brand delivery, campaign assets, art direction, brand consistency

Experience

Videographer, Photographer, Director & Editor (Freelance + Studios)

India | 2017 - Present

- Art Director at Beaux Arts, Allahabad; directed ads and two short/art films.
- Freelance ad creative (2018 - present) for brands including Hero, Suzuki, Red Bull, Monster, and Trojan - concept, shoot, and edit.
- Junior DOP (freelance) on a music video for Crevixa.
- Photography since 2017, freelance and with Redhat Productions: product, events, college festivals, weddings, and corporate.

Creative Designer | Crevia

Delhi NCR, India | June 2026 - Present

- Edit videos and podcasts, create motion and social content, and produce brand and product imagery across multiple brands.
- Keep a consistent visual language across web, social, and video on fast cycles.

Product & Brand Designer | FuelBuddy, Uncover by Meddo, I-DOD

India | 2022 - 2026

- Designed and produced content and interfaces across India and the UAE (FuelBuddy regional web and marketing surfaces).
- Created Uncover's logo, brand, and identity; built design systems from scratch.
