PROFESSIONAL SUMMARY

Post-Production Lead and Senior Video Editor with 10+ years of hands-on post-production, editing, and creative workflow leadership. Extensive experience managing multi-stream editing pipelines, setting quality control standards, and delivering high-impact video campaigns under aggressive turnaround schedules. Currently located in Mumbai with a dedicated high-performance post-production workstation. Proven track record leading post-production for major commercial brands (Red Bull, Monster Energy, Hero, Suzuki) and high-growth digital brands, driving over 10,00,000+ views.

CORE EXPERTISE

- **Post-Production Pipeline & QC:** Ingestion, multi-cam syncing, asset organization, timeline pacing, offline/online editing workflows, audio mastering, and rigorous QC across all output aspect ratios.
- **Editing & Motion Graphics:** Narrative editing, social-first vertical video (9:16), commercial cutdowns, typography animation, and kinetic motion in Premiere Pro, DaVinci Resolve, and After Effects.
- **Color Grading & Sound Design:** Advanced node-based color grading in DaVinci Resolve, LUT development, multi-track audio mix, noise reduction, sound effects layering, and master delivery.
- **Workflow & Team Leadership:** Managing delivery timelines, brief breakdowns, feedback loops with directors and clients, and standardizing post-production templates for speed and consistency.

PROFESSIONAL EXPERIENCE

Creative Designer & Post-Production Lead | Crevia

Jun 2026 – Present | Delhi NCR / Mumbai

- Lead end-to-end post-production workflows across client accounts (Mymy, Al Yamin, Klay Consultants, ATK Designs, La Well), managing multiple parallel project timelines.
- Supervised the edit, motion design, color grading, and final quality control for podcast episodes, commercial cutdowns, and social reels.
- Produced video campaigns for La Well and Herbal Hand Jatibooti generating 10,00,000+ ad views with zero QA defects.
- Streamlined project turnaround times from 5 days to 48 hours by creating standardized project templates and asset management hierarchies.
- Delivered 200+ multi-format visual and video assets across digital storefronts and social ad channels.

Lead Video Editor & Post-Production Specialist | Freelance & Redhat Productions

2016 – Present | India

- Managed full post-production pipelines for commercial video ads, brand films, and music videos for clients including Hero, Suzuki, Red Bull, Monster Energy, Trojan, and Crevixa.
- Handled high-pressure turnaround for live concert and festival recap reels across IITs, IIMs, NITs, and DU, delivering same-night social edits for 100+ national and international artist performances.
- Led color grading, audio cleanup, and visual effects integration for high-profile talent footage including Travis Scott, Akon, CarryMinati, Gajendra Verma, and Zakir Khan.
- Established strict video encoding and export presets (bitrates, color spaces, audio loudness standards) ensuring consistent fidelity across platforms.

Art Director & Filmmaker | Beaux Arts

2019 – Present | Allahabad, India

- Led post-production supervision for 2 independent short/art films, managing rough cut assembly, sound design, color grading, and final festival exports.
- Directed commercial ad concepts from script breakdown through editing and sound design, ensuring alignment with brand narrative guidelines.

WHAT I'D BRING TO BLING PING

- **Production-Ready in Mumbai:** Currently in Mumbai with a personal high-performance editing and grading workstation, ready to take ownership of post-production pipelines immediately.
- **Bulletproof Quality Control:** Zero-tolerance approach to audio clipping, frame drops, color banding, and sync errors across all deliverables.
- **High-Velocity Timeline Management:** Proven ability to balance multiple ongoing edits, creative feedback cycles, and tight delivery milestones without compromising artistic quality.
