Professional Summary

Creative strategist and art director with 5-7+ years across direction, photography, and video, alongside 6+ years in product and brand design. I build the idea and then take it all the way - concept, art direction, shoot, edit, and the design system it lives in. I have art-directed at Beaux Arts (Allahabad), directed ads and two short/art films, and made freelance ad creative for Hero, Suzuki, Red Bull, Monster, and Trojan. I think in formats and hooks, not just deliverables.
