Professional Summary

Creative with 5-7+ years in direction, video editing, and photography, now working hands-on with AI-assisted creative workflows. I have art-directed at Beaux Arts (Allahabad), directed ads and two short/art films, shot as a junior DOP, and produced freelance ad creative for brands including Hero, Suzuki, Red Bull, Monster, and Trojan. My current role blends motion, video, and social content with AI tools for rapid concept exploration - exactly the "generate authentic, high-quality AI-led visuals and video" brief. I turn ideas into engaging, well-finished content and love experimenting with new tools.

Core Skills

Motion & Video: Video editing, motion graphics, direction, visual storytelling, pacing, colour and finish, social and brand video

AI-Assisted Creative: AI design and video tools, prompt-assisted ideation, rapid concept exploration, AI-led visuals, iteration, translating ideas into content

Direction & Photography: Art direction, ad and short/art-film direction, junior DOP, photography, shot planning, on-set coordination

Design & Tools: Brand and social creative, responsive web visuals; Premiere Pro, After Effects, DaVinci Resolve, Photoshop, Illustrator, Lightroom, Rive, Figma, Framer
