Professional Summary

Photographer and videographer with 5-7+ years shooting, directing, and editing, plus 6+ years of brand and product design. Photography since 2017 across product, events, college festivals, weddings, and corporate - freelance and with Redhat Productions. On the film side I have art-directed at Beaux Arts, directed ads and two short/art films, and shot as a junior DOP. I shoot it, cut it, and design the assets around it, which keeps a project in one pair of hands.

Core Skills

Photography: Product, corporate, events, weddings, college festivals; lighting, composition, on-location and studio, retouching and colour (Lightroom, Photoshop)

Videography: Camera operation, shot planning, direction, on-set coordination, interviews and event coverage, brand films

Post-Production: Video editing, motion graphics, colour and finish, social-first vertical cuts (Premiere Pro, After Effects, DaVinci Resolve)

Design: Brand identity, campaign and social assets, responsive web, Figma, Framer, Wix
