Professional Summary

Video editor and director with 5-7+ years across editing, directing, and shooting. I have art-directed at Beaux Arts (Allahabad), directed ads and two short/art films, worked as a junior DOP, and edited content for brands including Hero, Suzuki, Red Bull, Monster, and Trojan. Because I direct and shoot as well as cut, I edit with the whole story in mind - pacing, rhythm, and finish - not just the timeline. I deliver fast across multiple brands and keep a consistent look across web and social.
