PROFESSIONAL SUMMARY

Video editor and graphic designer with 6+ years in digital creative work and 10+ years of hands-on video and photography craft. I cut podcasts, social reels, and campaign content with a focus on pacing, sound design, and colour grading, and I design the brand visuals - graphics, product imagery, social posts - that carry a personal brand across platforms. Currently working multi-brand at Crevia on fast, remote-friendly delivery cycles. Own a dedicated high-performance editing workstation. Comfortable as a full-time, remote, travel-ready creative for a founder-led brand.

CORE SKILLS

Video Editing & Post-Production: Premiere Pro, DaVinci Resolve, After Effects, CapCut, podcast and social-reel editing, timeline pacing, story editing, sound design, colour correction and grading

Graphic Design & Brand Visuals: Photoshop, Illustrator, brand and product visuals, social graphics, website launch assets, consistent visual identity across platforms

Working Style: Multi-brand delivery on fast turnaround cycles, remote-first workflow, direct founder/creator communication, comfortable with travel

Bonus Craft: Photography and retouching (studio, product, event), Wix/Figma for brand-linked web pages

EXPERIENCE

Creative Designer & Video Editor | Crevia

Delhi NCR, India (Remote-friendly) | June 2026 - Present

- Edit podcast videos, social reels, campaign cutdowns, and product content across multiple client brands, shaping pace, music, and image treatment for each platform.
- Design brand and product visuals, social graphics, and website launch assets for brands including Mymy (perfume), Al Yamin, Klay Consultants, and ATK.
- Built the Mymy perfume-brand website in Wix, including brand and product visuals.
- Hold one consistent visual language across web, social, and video while working several brands at once on fast delivery cycles - the same pace a founder-led personal brand needs from a full-time creative.

Independent Video, Photography & Ad Projects | Freelance

India | 2016 - Present

- 10+ years hands-on across video editing, photography, and visual storytelling; own dedicated high-performance editing workstation for Premiere Pro, DaVinci Resolve, After Effects, and colour grading.
- Freelance ad creative (2018 - present) for brands including Hero, Suzuki, Red Bull, Monster, and Trojan - concept through shoot and edit.
- Emotionally-paced wedding and music-led video edits focused on performance, relationships, candid moments, and sound design.
- Lead photographer with Redhat Productions (since 2017) across product, event, corporate, and wedding shoots - the same eye for image quality that carries into graphic design work.

Art Director & Ad Director | Beaux Arts

Allahabad, India | 2019 - Present

- Directed 2 independent short/art films; led visual concepting, lighting, shooting, and post-production editing for commercial ads.

Brand & Identity Design (Design Track)

India | 2022 - 2026

- Designed Uncover's logo, brand foundation, and identity, then carried it into web and app - proof of graphic-design range beyond video.
