mohdhayaat1@outlook.com | +91-7905194153 | Delhi NCR, India | Open to in-office roles

Portfolio: workofhayaat.framer.website

Professional Summary

Designer with 6+ years spanning brand identity, visual design, responsive web, and product UI. I have created logos and brand foundations, carried them into websites and product interfaces, and currently produce multi-brand creative across graphics, video, product imagery, and social content. I move comfortably between brand systems and interface design, keeping a consistent visual language across every touchpoint.

Core Skills

Brand & Visual: Brand identity, logo design, visual systems, typography, color, layout, art direction, marketing and social creative, product imagery

Web & Interface: Responsive websites, landing pages, high-fidelity UI, design systems, component libraries, Wix and Framer builds

Production & Tools: Adobe Photoshop, Illustrator, After Effects, Figma, FigJam, Framer, Wix, Rive, video and podcast editing

Ways of Working: Fast multi-brand delivery, client and stakeholder collaboration, consistent systems across web and social, eye for detail

Professional Experience

Creative Designer | Crevia

Delhi NCR, India | June 2026 - Present

- Create graphics, videos, social content, product imagery, and campaign material across multiple client brands including Mymy, Al Yamin, Klay Consultants, and ATK, on fast delivery cycles.
- Design and build the Mymy perfume-brand website in Wix, covering brand visuals, product presentation, and launch-ready assets.
- Maintain consistent visual systems across web and social touchpoints; edit podcast videos and product imagery.

Product Designer | I-DOD

New Delhi, India | July 2025 - March 2026

- Built a reusable Figma design system and visual language from scratch with components, states, and documentation.
- Designed onboarding, profile, and verification interfaces from wireframes through high-fidelity UI.

Product Designer | FuelBuddy

Gurgaon, India | July 2023 - June 2024

- Built the FuelBuddy design system and style guide from scratch, keeping consumer, B2B, and operational products visually consistent.
- Designed responsive web and mobile interfaces, dashboards, and account experiences across India and the UAE.

Product Designer | Uncover by Meddo

Gurgaon, India | March 2022 - May 2023

- Created Uncover's logo and brand foundation, then carried the identity into its website, mobile experience, and reusable UI patterns.
- Designed responsive patient and doctor journeys and contributed to the design system.

UI Designer | AcadPlaza

Remote | June 2020 - March 2022

- Designed responsive web and mobile interfaces, catalog and search visuals, and reusable component patterns.
