PROFESSIONAL EXPERIENCE

Crevia — Creative Designer

June 2026 – Present | Delhi NCR

- Directed visual design and high-volume creative production across multiple D2C and wellness brands (La Well, Herbal Hand, Mymy, ATK), balancing rapid concept iteration with tight brand consistency.
- Designed 200+ e-commerce product creatives across a 35-SKU catalog for Amazon and D2C storefronts, elevating product presentation through custom lighting, packaging renders, and contextual lifestyle visuals.
- Created performance ad creatives and social campaigns that generated 10,00,000+ (10 Lakh+) ad views for herbal wellness product launches.
- Designed social media campaign assets and video reels for ATK Designs and Klay Consultants generating 30,000+ organic views with distinct visual identities per brand.
- Built Wix web visuals and brand product imagery for Mymy perfume, establishing a premium visual identity across web and social touchpoints.
- Integrated AI visual generation (Midjourney, Recraft, Claude) into daily ideation to produce 4–5 distinct creative directions in hours, using manual Photoshop retouching, color grading, and typography curation to eliminate generic AI artifacts.

Foldr / Independent — Visual & Brand Identity Designer

2022 – Present | Delhi NCR

- Built brand identities, visual language systems, and digital landing experiences for emerging tech, wellness, and consumer businesses.
- Designed high-converting landing pages and visual assets for Maximor AI, structuring narrative flow, custom iconography, and tech visuals for finance automation.
- Created visual systems and UI assets for international clients including TS Logix Peru (logistics/pharma), Kama Capital (fintech), and Vgen23 (genomics platform).
- Established scalable design libraries, color palettes, and typography rules ensuring seamless transition from brand decks to production-ready digital assets.

FuelBuddy — Visual & Product Designer

2020 – 2024 | Delhi NCR

- Crafted visual design, brand touchpoints, and digital interface systems across India and UAE markets, serving 50,000+ businesses and 1L+ active app users.
- Designed promotional banners, app store visuals, web landing pages, and campaign creatives, increasing user engagement and brand recognition across multiple regions.
- Built and maintained a centralized design system from scratch, establishing standard typography, component spacing, and color palettes that cut frontend implementation turnaround.

Meddo Health / Uncover — Brand & Visual Experience Designer

2019 – 2022 | Delhi NCR

- Designed the brand identity, logo, typography system, and visual packaging foundation during Meddo's brand transformation into Uncover (dermatology and wellness clinic brand).
- Produced marketing collateral, physical clinic signage, digital ad sets, and website visual assets, defining a clean aesthetic for premium clinical care.
- Redesigned core patient digital touchpoints and web interfaces, improving booking conversion from 71% to 83%.
