Professional Summary

Graphic designer and brand strategist with 6+ years across brand identity, product design, and campaign work, plus 5-7+ years of art direction, photography, and video. I build brands from the name-level up - logo, identity, system, web, and the content that carries it. I have delivered for startups and agencies across India and the UAE, and freelanced ad creative for Hero, Suzuki, Red Bull, Monster, and Trojan. Used to remote, project-based work and tight turnarounds.

Core Skills

Brand & Strategy: Brand identity, logo design, visual systems, positioning, brand guidelines, campaign concepting

Graphic Design: Layout, typography, print and digital collateral, social and campaign assets, packaging-adjacent brand visuals, product imagery

Digital: Responsive web and mobile UI, landing pages, design systems, Figma component libraries, Framer, Wix

Motion & Content: Video editing, motion graphics, social video, photography (product, events, corporate)
